Mission Statement

Demonstrate the love of Christ to all wounded, injured or ill warriors and their families and caregivers.

- *Offering respite;*
- *Assisting with reintegration into civilian settings;*
- *Showing our deep gratitude for their sacrifices;*
- *Sharing GOD's Love.*

God's Blessing

We have said from the very beginning that Wounded Warriors at Nebo is Gods' ministry. He has blessed this ministry with numerous businesses and individuals who support it in many ways by volunteering, donating use of their guest houses and financially to name a few. In addition, the number of churches participating in the ministry has grown to fourteen (14). These churches are an integral part of the ministry. They provide financial support. They visit with the warriors and families, making them feel welcome and loved. They provide meals for events; everything from breakfast tacos and lunch to full blown dinners in their church. Along with these meals guests again, receive welcoming conversation and attention reflecting God's love and letting the warriors know they are appreciated and not forgotten. .

For some of the guests, this is a new experience and may be the only exposure they have to church

Over the years as more churches 'joined' the ministry, their support has enabled us to increase the number of warriors and families that can come to events. This is a direct result of the savings provided by churches feeding the guests rather than going to restaurants in addition to the added financial support.

Fresh Air and Sunshine

Chaplin Hatcher brought SRU patients, nurses and case managers to Louis Hayes Park in Kerrville, TX for a day of fun on the water, picnicking, hiking and duck/bird watching.

Upon arrival they were greeted by Wounded Warriors at Nebo volunteers with breakfast tacos and other snack items.

Then they grabbed a kayak and headed for a leisurely trip on the Guadalupe River.

Several guests and volunteers even explored the 6 mile hiking trail. And then there was the Splash Pad in which to cool off. This is a beautiful park with a lot to offer

Ben Kvanli, Olympic Outdoor Sports, San Marcos, furnished all the kayaks, life jackets and some much needed instructions on and off the water. First Baptist Church donated the delicious breakfast tacos. David, our photographer, took LOTS of pictures all of which you can view and/or download on our website wwnebo.net/photos, [facebook/ww.nebo](https://www.facebook.com/ww.nebo) or [dlroberts.zenfolio.com/f575051704](https://dloberts.zenfolio.com/f575051704)

See you in the Fall

Family Fun

Nine families from Fort Sam Huston, San Antonio, spent the weekend enjoying Fredericksburg. Friday evening the Church of Christ hosted the warriors and their families for a delicious dinner and conversation.

Saturday morning several families endured the mist to fish at Lady Bird Johnson park.

I guess the fish weren't familiar with the belief that they bite more when it rains because not many fish were caught but everyone had fun especially the child that caught the turtle.

This was the only planned activity so guests were free to be tourists until dinner later at The Church of Jesus Christ Latter-day Saints. The kids loved it when Darth Vader appeared to greet them. All in all it was a fun weekend.

Biggest Fish Caught (she also got the Turtle)

Wounded Warriors thank: the Churches and their volunteers for their gracious hospitality, generosity and delicious meals, The Inn on Barons Creek for once again giving us a special rate and Hondo's on Main for your continued support.
